

PRESENTS

BUCKINGHAM

TERROUR

Each Fall since 2002, Buckingham Terror, a program of Camp Fire Sunshine, has provided **150+** local middle and high school youth the unique opportunity to design, build and run a haunted house. Collectively, teens earn **1,000+** service hours, and with the help of staff and adult volunteers learn project management, effective goal setting, and the importance of a growth mindset.

Each year Buckingham Terror has a completely new theme and design. This year, Buckingham Terror presents "**Twisted Forest**," which will be visited by more than **2,000** guests - over **50%** of which are adults.

Funds raised from the Buckingham Terror program support our teen programs throughout the year. Camp Fire teens gain real-life and academic skills as they participate in countless service-learning, leadership, and recreational programs. Camp Fire teens:

- Are civically engaged - **volunteering 4,000+ HOURS annually** throughout the community
- **Out-perform** their peers in standardized testing for reading and math
- Interact with **positive, skilled, caring** adult role models on a regular basis
- Are **MORE** interested in **learning and achieving their goals**
